Your club must meet the following criteria.

1. The availability of all facilities on the date(s) required
2. Scoreboards are available
3. Scorers are available from the club or can be provided by another club
4. Lunch and/or afternoon tea can be provided at a cost for the players, spectators and officials
5. Bar and refreshment facilities are open and manned
6. Recording facilities, phone, email and fax are readily available
7. Have access for spectators at one end of each green
8. Conduct a raffle on the day with the profits going to the GVBD

Our club meets the all the criteria above.

Signed..... Date.....

An Inspection of the greens will be made by the greens committee.

This includes:

- Your Club is sent a copy of the green inspection form so they are aware of what the Greens Committee are looking for in their inspection
- Notification will be sent to your club a week before the inspection takes place stating the time and date their greens will be inspected.
- That the greens committee expects what they see and assess will be what your will provide for the finals
- The greens committee will use the standard form that is sent to the clubs when inspecting the greens
- The findings from the inspection will be sent to the match committee ASAP
- The match committee in consultation with the greens committee to come to a decision
- Clubs are sent debriefing notes about how they performed.

Your club is invited to include information about any facilities or services that your club would provide.
